*Attendify will work best on the following browsers: Mozilla Firefox, Google Chrome, Apple Safari or Microsoft Edge*

**STEP 3: ENGAGE WITH THE MEETING**

1. **Complete your profile:** Go to the top right corner, click on your name and choose ‘Edit Your Profile’. Include any details you want other attendees to be able to see.

2. **Engage with other participants:** You will see this messaging icon where you can compose new messages to other attendees. You may also do so by clicking on their name in the ‘Community section’ of the platform.

3. **Watch Meeting Sessions:** Meeting sessions will be live at their time on the ‘Overall Schedule’. You can also find the session Zoom links within the ‘Overall Schedule’. *All times will be reflected in your local time zone.*

4. **Interact with the Presenters:** You may ask questions of the abstract presenters during each session through the Q&A feature in the Zoom window in Attendify or through the Zoom App, if you have opened it separately. Questions will be answered live at the end of each session.

   *Note: Questions asked in the Attendify Chat feature can be answered by authors/presenters independently, but will not be used by moderators for the live Q&A.*

5. **Browse Abstracts:** You can browse full abstract content by clicking on the individual session titles below ‘Full Abstracts’ in the left hand menu. There are also links to the session abstracts from the ‘Overall Schedule’ session.

For any questions or troubleshooting, email admin@afmr.org.
1. Click ‘Overall Schedule’ to find your desired session by date/time. Click on Session. 
   You may also search for a session using the search feature at the top of the page.

2. Join the Session by clicking ‘Join here’ to open Zoom in the window shown. Click the ‘Open in Zoom App’ link to open Zoom in a new window/app. You will not be able to open the Zoom link in the window until 10 minutes prior to the session starting.
3. Connect with the speakers and moderators by submitting questions for the presenters through the Q&A function in the Zoom window. Participants will be able to answer questions at the end of each session.

4. Questions in the Attendify Chat box may not be answered in the live Q&A, as moderators will be primarily looking at the Zoom Q&A feature.

This area can be used for participant chat and interaction and presenters may choose to answer questions posted here at a later date.
