CARMEL SCHOLARS PROGRAM

On behalf of the Western Organizing Committee we would like to thank the sponsors of the Fifth Annual Fellow and Junior Faculty Scholars Program. The purpose of this program is to support the early academic careers of young junior faculty and fellows by providing opportunities for networking between early career scientists and learning about academic career pathways from established academicians. Our goal is to recognize and honor the contributions of the next generation of academic physician-scientists and provide tools for their long-term success.

Carmel Scholars in the areas of
Cardiovascular
Careers in Pediatric Academics
Endocrinology
Hematology and Oncology
Immunology and Rheumatology
Metabolism
Nephrology and Hypertension
